

RAILTECH UK / EQUIPMENT PARTS

ALIGNMENT EQUIPMENT		
Designation		ref
BA240	Rail alignment beam type DX / basic including:	11131009
	frame beam	11131001
	pair of rail jacks	11115002
	24 mm tool	31910002
	crucible support arm	21131001
	27 mm tool	48401002
	one support foot	21131003
	one detwisting device	21131004
	Clamping device for flat bottom rail (verifirer traduction vignole)	21131005
	Clamping device for grooved rail	2113106
	pair of rail jacks only	11115002
transportation kit on the lorry (arm + wheel)		
Arm	21131007	
Wheel	21131008	
CR61	A frame aligner / basic with ckip e foot	11111002
SHEARING EQUIPMENT		
Designation		ref
EPM3	shearing machine wide gap hand pump parallel to the rail	11334008
	Hydraulic pack shearing machine	
	Electrical hydraulic packs	19511012
	Hydraulic group with Honda engine (old version)	19511007
	Hydraulic group with Honda engine (new version)	19214002
	Blades for shearing machine	
	Profile shear blade ref 32 / a pair	11335018
	Profile shear blade ref 36 / a pair	11335019
	Profile shear blade ref 40 / a pair	11335024
	Profile shear blade ref 45 / a pair	11335022
	Profile shear blade ref 48 / a pair	11335023
	Pofile shear blade for grooved rail	11335030
	Universal shear blades L shape / a pair	11335016
Universal shear blades U shape / a pair	11335017	
Universal shear blades for grooved rails / a pair	11335015	
Special guide for grooved rails / a pair	3191009	

RAILTECH UK / EQUIPMENT PARTS

GRINDING EQUIPMENT		
Designation		ref
MR150	Rail profile grinding 2 stoke engine 4 nuts incl. Intermediary support	14331019
	Rail profile grinding / electric version	14331017
	Grinding wheel with 4 nuts M8 dia 150x72x55	47901011
	rotation kit	24331001
	stabilising equipment	24331016
CUTTING AND DRILLING EQUIPMENT		
Designation		ref
HC355	disc saw with standard arm (vignole and bull head rail)	14221022
	disc saw with universal arm (incl. grooved and crane rail)	14221021
	Cutting disc diam356x4x25,4	47901041
STRESSING EQUIPMENT		
Designation		ref
TR70	stressing equipment / basic with no pump	21121021
	hydraulic packs	
	manual pump-A with hoses	21121005
	hydraulic group with petrol engine without hoses-B	21121020
	hydraulic hoses kit (for thermic and electric units only)	21121043
	Accessories	
	set of two tie rods 1800 mm	11121002
	set of two tie rods 1200 mm (use as an extension of 1800 mm)	11121003
	set of two insulated tie rods 1800 mm	11121005
	pressure release system for hoses under pressure before use	11121010
